HITCH & SIP

A completely mobile bar experience customized for your special event.

Our team provides all the libations and equipment needed for an unforgettable celebration. Our experienced bartenders effortlessly implement beverage services customized to your style and preferences.

Every bartender goes through TIPS training so you can be sure of an ultra-professional experience from beginning to end.

We have multiple liquor licenses and are certified to serve both on and off site. This allows us to provide safe, legal bar services throughout MN and surrounding states.

FIRST STEP: CASH OR HOSTED BAR?

HOSTED BAR

We make it easy for you to treat your guests! Choose from any **tier package**, pay for the bartenders and let us do the rest. This allows you to host **unlimited service that meets your budget and alcohol preferences**. **NOTE: There is an automatic \$150 gratuity per bartender for any hosted liquor package.**

CASH BAR

A cash bar is popular for events on a mindful budget. We bring our entire setup, you pay for the bartenders and your **guests pay for their alcohol directly** at the bar. Please note that one domestic and two craft beers will be chosen by the bar manager, although your specific preferences are welcomed and considered. A cash bar set-up fee may apply, but may be waived if you host a beverage of equal or greater value, like a **signature cocktail unique to your event!**

CASH + HOSTED BAR

This method works well if you prefer to **host specific beverages for a certain amount of time** and can be found in A La Carte Hosting. For example, you pay for bartenders and provide two kegs and 24 bottles of wine for your social hour. Or perhaps provide a signature cocktail that matches your event theme? The remainder of your event can then be a full cash bar where guests choose their drinks and pay for them directly.
